Dear John,

On behalf of Solent Churches Football League thank you for the kind sponsorship of our website.

We intend to use the site to post all the results from the two leagues. We also run various events throughout the season that will be publicised on the site and are therefore hopeful that it will get large usage and consequentially create some interest in the products **Cameron Asset Management Ltd** are offering.

As you know I personally and my company, KASTO Ltd, have been associated with **Cameron Asset Management Ltd** for many years and I would have no problem recommending you to any of our members.

Yours sincerely,

Keith Walker
SCFL Chairman
